

Hi! I'm Rachel

I joined BAGSD earlier this year (2013) with Shadow my now 10 month old puppy to help bring him up as a well balanced, well behaved GSD!

I also share my heart with Zulah & Christie

.

Zulah is now 10, she came to me at the age of 7 as an ex brood bitch. We have no idea how many litters she had. She also suffers with ongoing ear problems & a dislike to other dogs.

Christie is 6 & is my husband's trained working dog. She is trained to the BIPDT standard & loves to work.

Dogs & horses play a large part in my life so much so that I run my own dog walking/pet care business.

Since joining BAGSD I have enjoyed training with Shadow & progressed well that I am now about to embark on training to be a BAGSD Instructor & hope to meet & get to know more of you on training nights.
